

## DOMINIQUE JOHNSON

Full-Stack Developer

[codeblooded.dj@gmail.com](mailto:codeblooded.dj@gmail.com)

310-709-6181

From professional football player to full-stack developer, I'm on an endless pursuit of reaching my full potential. I'm intrinsically motivated by being better than I was yesterday but not as good as I will be tomorrow. As a developer, my goal is to inspire people through my work and the products I build with a mission-driven team.

### TECHNICAL SKILLS:

JavaScript, CSS, HTML, React.js, MongoDB, Github, REST APIs, Mongoose, MERN Stack, Ruby on Rails

### EXPERIENCE:

#### General Assembly Fellow

*Software Engineering Immersive Feb 2021 – May 2021*

- Designed and built 4 custom applications.

- Selected Projects:

**Follow Me:** Social Media application where users can post status updates that can be viewed by users who choose to follow you. App showcases full CRUD with database built in Express.js and the front-end built in React. [REPO-HERE](#)

**DevOcean:** A community-based messaging app where users can search and message other users who have signed up for an account on the platform. Built with React on the front-end and Express.js on the backend. [REPO-HERE](#)

**Culture Crafts:** An e-commerce web application where users can shop with full user authentication and CRUD functionality. The application is built with React on the front-end and Ruby on Rails on the back-end. [REPO-HERE](#)

#### ADP – Automated Data Processing INC

*District Manager – Major Accounts – Apr 2019 – Present*

- Achieved 118% of my annual quota through 2 years with the company through a mix of selling new business and additional business to C-Level execs in client facing sales presentations.
- Collaborating and strategizing with internal and external partners to gain access and position the team to close deals.
- Managed entire sales process from prospecting to implementation of payroll technology software.

#### Consolidated Electrical Distributors

*Profit Center Sales Manager - May 2016 – Apr 2019*

- B2B outside sales providing a consultative sales approach to meeting and exceeding their needs. Analyzing and resolving efficiency needs while working closely with customers from start to finish on managing large, long term projects.

### EDUCATION:

#### General Assembly – Remote 2021-2021

- Completed an intensive 12-week course which included over 420 hours of professional training.

Designed and built 4 custom web applications and worked collaboratively with fellow software engineers using Git and GitHub.

#### California Polytechnic University SLO – Aug 2009 – Dec 2010

#### University of California, Los Angeles (UCLA) – Jul 2006 – Jun 2009

- Student-Athlete competing in football and was a team captain at both Cal Poly and UCLA. Earned my Bachelors in History.
